

Copyright Information

All written content at “Earth Tones Elemental Art” site is Copyright © 2006, by Brittany Kingston. All Rights Reserved.

No portion of this site may be copied to any other website for any purpose. I would be happy for you to link this site or individual articles to your own site, provided your site is neither pornographic or illegal.

Any art work or article downloaded, copied, printed or posted on any site without my express written permission is in violation of the Copyright Act, and will be prosecuted to the fullest extent of the law.

Permission For Use of Writing Only

I am happy to grant permission to make digital or hard copies of individual articles on this web site for offline, personal or classroom use provided that you email me first for permission, that copies are not made or distributed for profit or direct commercial advantage, and that copies clearly display the following full citation:

All content at Brittany Kingston’s “Earth Tones Elemental Art” site is
